

Course Add & Drop FAQs for BNBU Students

Academic Registry

Refer to *General Regulations for Undergraduate Degree Programmes of Undergraduate Handbook*: https://ar.bnbu.edu.cn/current_students/student_handbook/programme_handbook.htm

Q1: What is the main purpose of course Add/drop?

A1: Students who have to re-take courses as required, **OR** to make up courses mainly due to 1) suspension of study; 2) inter-programme transfer; 3) university transfer; 4) exchange programme, **OR** students who wish to change course/session, **OR** to increase/reduce the number of courses they would like to take, could adjust their individual study plans via course Add/drop.

Q2: I cannot find the Add button/I don't know how to add courses in the system.

A2: You could find the search bar below your course list (if any), and you could use keywords like course name/category to locate the course you may need. The operational manual and full course list could be found in the introduction when you login to the system.

Q3: Why some courses are shown as “Forbid Add”?

A3: Some courses are designated for particular year of study or programmes, some are having pre-requisite, and some are just not open for online add/drop as required by teaching units. You may find details in the course list and the course description on the introduction page.

Q4: I want to take a course but I did not pass its pre-requisite. What can I do?

A4: Students shall take and pass the pre-requisite course before taking its advanced course.

Q5: What to do if I want to add a course but it is shown as “Full”?

A5: When you find your targeted course is full, you may check the system regularly to see whether the quota is open again since your peers are adjusting their plans as you do at the same time. Or you may consider taking alternatives.

Q6: Why there is a pop-up telling me my units are too low or too high to proceed with further adding/dropping courses?

A6: According to the General Regulations, except the second semester of year 4, the minimum study load of each semester for a full-time student is 15 units and maximum is 21 units. The system would detect and confine students' operation in that range. Students in their second semester of year 4, are allowed to have a study load below 15 units.

Q7: I have worked out my study plan with my Department Head and got my Advising Form, what to do next?

A7: You shall register all the courses listed in your Advising Form during the online Add/drop by yourself. You shall have your DH's approval if you wish to change any course, and you have to get it done within the Add/drop period.

Q8: Why the course I have successfully added does not show in my iSpace?

A8: Normally, it would take a few hours for iSpace to synchronize with MIS after your add/drop operation. You are advised to contact ITSC (Tel: 0756-3620315, Email: itsc_support@bnu.edu.cn) for further inquiry.

Q9: Some courses are marked “For Minor Students Only”. Can I add those courses as my FE courses if I am not taking that Minor Programme?

A9: All courses with the mark “For Minor Students Only” are only open to the designated Minor Programme students.

本科生课程条例: https://ar.bnpu.edu.cn/current_students/student_handbook/programme_handbook.htm

1. 问: 学校安排加减课的目的是什么?

答: 加减课的目的是供同学们调整个人课程修读计划(调整的原因可能有: 之前修读的课程需重修; 因休学、转专业、参加交换生项目或插班入学而缺少课程需补修; 个人意愿想换班、想修更多课或减少修课等等)。同学如需重修、补修、加修或减修课程, 都应当通过加减课来进行课程注册。

2. 问: 我看不到在页面哪里加课/我不知道怎么操作加课。

答: 课程清单下方有搜索栏, 可选择按课名、类别等进行搜索。可参考系统导读页面里的操作说明及课程清单。

3. 问: 为何我不能加某门课, 显示 “Forbid Add” ?

答: 某些课程是有设置修读条件的, 比如年级限制、专业限制、先修课程、或不参与在线加减等。具体的修读条件信息可参阅加减课系统导读页面里的课程清单及课程描述文件。

4. 问: 我想加修某门课程, 但它的先修课程我没有通过, 怎么办?

答: 同学们应当按顺序修读课程。修读后修课程应当先修完其先修课程。

5. 问: 我想加的课显示已满怎么办?

答: 如果某门课程名额已满, 同学可在加减课期间不定期查看系统是否有余位可加(因为其他同学也正在加减调整)或尽早考虑选择其它合适的课程。

6. 问: 为什么减课时系统提示学分过低, 或加课时系统提示超出学分无法操作?

答: 学校规定学生除四年级第二学期外, 每个学期修读的课程量为至少15 学分, 最高21 学分。如果系统检测到同学操作后超出以上范围, 操作将受限。学生大四第二学期的最低课程量不受上述15 学分的限制。

7. 问：我已跟系主任谈过学习计划，并填写了Advising Form，然后我需要怎么做？

答：同学需根据自己的 Advising Form 的课程安排**自行**在系统上注册课程。如需变更原已商定的课程，同学应先征得系主任的同意，并需在 Add/Drop 的第一阶段自行在线调整。

8. 问：为何我加了一门课，课表里已经有了，但iSpace还没有出现？

答：iSpace 系统由学校 ITSC 负责管理。目前该系统在同步 MIS 数据时存在一定时间的**延迟**，同学们加完课后需等待一段时间（约几小时或更长时间）才可以看到 iSpace 里面的更新。如有问题，可联系学校 ITSC (0756-3620 315) 咨询。

9. 问：某门FE 课有此标注 “For Minor Students Only”，如果不是该副修专业的同学可以加修有这种标注的课作为自己的 FE 课吗？

答：不可以，只有该副修专业的同学才可修读。
