

A wide-angle photograph of a modern university campus at sunset. The sky is a mix of orange, pink, and purple, with scattered clouds. In the foreground, a large, multi-story building with a glass facade is visible on the left. In the center, a large, modern building with a glass facade is reflected in a body of water. To the right, another large building is visible. The overall scene is a serene and modern university environment.

# Preparation

- Reflect on your true interests, academic strengths and career goals.
- Seek advice from faculty/school, peers, and parents.

- Choose the program you wish to transfer into (1-3 transfer preferences). For details, refer to the Word file: Rules for Transferring to First, Second, and Third Choice Programs.
- Provide a comprehensive reason of your application
- Click the “Submit” button to finalize the transfer process

Select “Accepted” or “Rejected” to finalize the transfer result

- Results of the first stage will be available 1-2 weeks after system shutdown

# How to Apply - Online Application System (BNBU Portal)

01

How to Apply

- Login BNBU Portal;
- Click “Programme Transfer” icon;
- Fill out the form as depicted on the right;
- Attachments are optional, usually for the Art & Design Portfolio Assessment (normally required by AIM, CTV, and MAD);
- Interviews are typically not necessary. If needed, the faculty/school will arrange and notify students.

The screenshot shows the 'Application' page for 'Programme Transfer' on the BNBU Portal. The breadcrumb trail at the top is 'Home / Programme Transfer / Application'. The form is divided into two main sections: 'Student Particulars' and 'Student Particulars' (repeated). The first 'Student Particulars' section includes fields for 'Student Name(PinYin):', 'Student Name(Chinese):', and 'Student No.:'. The second 'Student Particulars' section includes a 'Current Programme:' field, a '\*New Programme:' dropdown menu with 'Please Choose' selected, and a '\*Reason for Transfer:' text area with a note 'Please set out your reasons in English.' and a character limit of 2000. Below these are an 'Attachment' field with a file upload button and a 'URL:' field for sharing audio or video work. At the bottom, there are fields for 'Mobile Phone:' and 'Verification Code:', a 'Send verification code' button, and a note about updating the phone number through the online MIS. A red 'Attention' message states 'The application time is' followed by a blacked-out time. At the very bottom are 'Back' and 'Submit' buttons.

# Course Adjustment

# “Tailor-made” Four-Year Study Plan

How can I find out the list of courses I need to make up?

1. Review the **four-year study plan** of the transfer-in programme.
2. Examine your **GAR** (Graduation Audit Report) to identify completed courses.
3. Understand course category changes to recognize credited courses in the new program by the **rules of change of course category**.
4. Finally, you will have **a list of courses you need to make up**.

How can I know which semester the courses that need to be made up will be offered?

1. MR courses follow a four-year plan and are offered in specific semesters.
2. Other category courses are usually offered each semester. Please confirmed with the course offering unit.
3. Use **Course Description** to check for any prerequisite requirements (先修要求).

# Course Adjustment

- **Make course adjustment via Course Selection**
- **Make course adjustment via Course Add/Drop**
- **Apply to Summer Programmes (BNBU/HKBU/Overseas)**

## **Noted:**

**It's not advised to adjust your courses prior to the approval of your programme transfer. Especially Major Courses.**

**Should your application be denied, it could negatively affect your progress in your current programme study.**

A wide-angle photograph of a modern university campus at dusk. In the foreground, a large, calm lake reflects the colorful sky and the lights from the buildings. Several modern buildings with large glass facades are visible, some with interior lights glowing. A curved walkway with a railing and small lights runs along the edge of the lake. The sky is a mix of deep blue, purple, and orange, with scattered clouds. The overall atmosphere is serene and modern.
